ScholarVault Global Conference Series

VIRTUAL SUMMIT · 14 NOVEMBER 2026

# Research Integrity & Responsible AI Summit 2026

A focused international virtual forum advancing trustworthy research, transparent AI governance, scientific reproducibility, accountability and responsible innovation.

**14 November 2026**
One-day international virtual summit

**Free abstract intake**
Quality & academic peer review

**6 research tracks**
Integrity, governance & AI

**2–4 working days**
Typical decision SLA window

THE RESEARCH LANDSCAPE IS CHANGING

# Integrity must evolve with intelligent systems

Research now moves through AI-assisted writing, automated analysis, shared datasets and increasingly complex authorship networks. SVRIAS 2026 creates a practical forum for the people responsible for keeping that work credible.

| CORE TRACKS | VIRTUAL ACCESS | ABSTRACT INTAKE | WORKING DAYS |

01

### For researchers

Strengthen reproducibility, authorship transparency, peer-review quality and responsible AI use.

02

### For institutions

Discuss practical governance, policy design, data stewardship and research-quality systems.

03

### For technology leaders

Connect innovation with accountability, explainability, safety and public trust.

04

### For emerging scholars

Learn how credible research is designed, reviewed, communicated and preserved.

WHO SHOULD PARTICIPATE

### Academia

Faculty, doctoral scholars, students, reviewers and research administrators.

### Industry

AI, compliance, data, innovation, R&D and technology professionals.

### Policy & governance

Ethics, standards, institutional policy and responsible-innovation stakeholders.

SIX CONNECTED CONVERSATIONS

# A programme built around credible research

Contributions may be conceptual, empirical, applied, interdisciplinary or policy-oriented. Suggested topics are indicative rather than restrictive.

### AI Ethics & Governance

- Accountable AI systems & bias mitigation
- Explainability, oversight & legal liability
- EU AI Act compliance & IRB governance

### Research Integrity & AI

- Forensic detection of paper mills
- Image & gel blot tampering audits
- Anti-predatory journal verification

### Responsible AI Frameworks

- Mechanistic interpretability & safety probes
- Adversarial red-teaming & constitutional AI
- Clinical machine learning validation

### Authorship & Attribution

- CRediT taxonomy for non-human roles
- Standardized AI disclosure statements
- Cryptographic text/code watermarking

### Peer Review & Reproducibility

- Containerized artifact auditing & badging
- Bias mitigation in automated review
- Registered reports & benchmark tracing

### Data Privacy & Accountability

- Differential privacy in federated systems
- Synthetic data safety & re-identification
- Machine unlearning & verifiable inference

FROM IDEA TO VIRTUAL PRESENTATION

# A clear contributor journey

1 Choose a track → 2 Submit abstract → 3 Academic review → 4 Acceptance decision → 5 Register & present

**A**

### Abstract submission

Submit original work aligned to one or more summit tracks. Abstract submission deadline extended to 25 October 2026 (Free intake).

**R**

### Review window

Abstracts are evaluated by the designated academic review team. Typical decisions take 2–4 working days.

**V**

### Virtual delivery

Accepted presenters receive session and technical instructions before the summit.

**C**

### Official credentials

Applicable presentation or participation credentials depend on verified role and attendance records.

SUBMISSION ESSENTIALS

### Prepare structured abstract

250–350 words: Background, Objective, Methodology, Results, and Ethical Implications. Word template available.

### Disclose & authenticate

State generative AI usage, CRediT contribution taxonomy, and confirm original unpublished authorship.

**Publication & indexing transparency:** Acceptance or presentation guarantees inclusion in SVRIAS 2026 Conference Proceedings (ISBN: 978-81-181597-0-4) with DOI allocation on publication. Journal special-issue routes are subject to independent publisher peer review.

TRANSPARENT CATEGORY PRICING

# Choose the right delegate route

Presenting authors may proceed to payment after acceptance. Listener and general delegate registrations may be completed directly.

| Participation Category | Domestic (INR) | International (USD) | Designed For |
|---|---|---|---|
| Student Presenter (UG / PG / PhD) | ₹2,500 | $129 | Enrolled undergraduate, postgraduate & PhD student authors (Gold: ₹2,399) |
| Academic / Faculty Presenter | ₹4,999 | $199 | University professors, postdocs, and institutional scientists (Gold: ₹4,898) |
| Co-Author Delegate | ₹2,200 | $79 | Co-authors joining presenting authors for joint paper presentation |
| Industry Professional | ₹9,999 | $397 | Enterprise AI engineers, policy advisors, and R&D directors (Gold: ₹9,898) |
| Listener Delegate Pass | ₹1,999 | $99 | Non-presenting attendees seeking research insights (Gold: ₹1,898) |
| Institutional Student Cohort (25 Papers) | ₹18,750 | $250 | Subsidized 25-paper cohort package (effective ₹750/paper) |

**SVRIAS 2026 Student Presentation Grants · 10 Full Awards (₹14,990 Value)**

ScholarVault sponsors **10 competitive 100% registration fee waivers** for top-ranked student-authored abstracts. Includes free virtual presentation slot, publication in SVRIAS 2026 Proceedings (ISBN: 978-81-181597-0-4), and official Grantee Certificate. Apply directly during abstract submission.

100% Fee Waiver

**ScholarVault Gold Membership Concessions**

Eligible ScholarVault Gold members receive exclusive rate concessions and bundle pricing. Inquire directly through the registration desk before checkout.

### Clear category rates

INR and USD amounts are published category rates, not live conversions.

### Zero intake cost

Abstract submission and peer review evaluation are 100% free of charge.

### Policy-linked

Registration is governed by published refund and participant policies.

## ADVANCING THE UN SUSTAINABLE DEVELOPMENT GOALS (SDGS)

**Goal 4: Quality Education**
AI literacy, academic integrity & reproducibility.

**Goal 9: Industry & Innovation**
Auditable, trustworthy AI infrastructure & ML benchmarks.

**Goal 16: Peace & Institutions**
Forensic disruption of paper-mill fraud & syndicates.

**Goal 17: Partnerships**
Multi-stakeholder academic & industry cooperation.

## OFFICIAL SUMMIT AWARDS & HONORS

GRAND PRIZE
**Best Paper in AI Ethics & Governance**
Theoretical novelty, regulatory foresight, and empirical rigor in algorithmic fairness or policy compliance.

OPEN SCIENCE
**Transparency & Reproducibility Award**
Highest standard in containerized, independently verifiable code/data artifact repositories.

FORENSICS
**Integrity Breakthrough Prize**
Breakthrough contributions detecting synthetic literature, citation rings, or image manipulation.

EARLY CAREER
**Outstanding Student Research Paper**
Recognizing exceptional methodological investigation authored primarily by a graduate or PhD scholar.
